Job Description

Job Title: Maintenance Technician

Company: K&C Services

Work Location: Bedford Park, IL

Job Type: Full-Time

Pay: \$25 – \$35 per hour (based on experience)

Maintenance Technician

K&C Services is seeking a full-time Maintenance Technician to support our manufacturing clients.

This role focuses on performing daily preventive maintenance on industrial machine tools used in manufacturing.

This is an excellent opportunity for someone with mechanical aptitude who enjoys working independently and takes pride in maintaining equipment reliability. The position provides the opportunity for advancement in the maintenance and repair of machine tools.

Responsibilities

- Perform scheduled preventive maintenance on CNC machining equipment
- Change filters and maintain lubrication systems
- Follow established maintenance checklists
- Assist senior technician with advanced repair work as needed

Qualifications

- Strong mechanical aptitude
- Comfortable using hand tools
- Ability to follow written procedures and checklists
- Self-motivated and able to work independently
- Reliable work history

Preferred but not required:

- Experience in manufacturing or industrial environment
- Industrial maintenance experience
- Exposure to CNC equipment

Benefits

- Health insurance (100% Employer Paid)
- Paid vacation and holidays
- Stable full-time employment
- Opportunity to grow within the machine tool maintenance and repair field

How to Apply

Apply through **Indeed** or by **Email** to **Contact@KCServices.biz** with resume and brief description of your industrial experience.
